Questions and RSVPs to Diane at

DDinHD4@aol.com or at 303-908-7705

*Globeville is nestled between Washington and Broadway, North of I-70. We'll learn about its
Slavic/Teutonic roots and how smelting figured into its history. Our pilgrimage will be about a
mile or so through this historic and mysterious area.*

Its one of Dennis' favorite parts of Denver.

Tour limited to 30 people

Please invite your friends!!
